NOMINATION: SIGNIFICANT PROJECT AWARD 2026

Guidelines for Nominations:

1. This award recognises the outstanding achievement of a member or members of the South African Institute of Electrical Engineers (SAIEE) in KZN in the successful execution of a significant engineering project. The award is open to projects that demonstrate innovation, technical excellence, sustainability, societal impact, improved service delivery, energy efficiency, smart technologies, infrastructure development, or other notable contributions to the electronic and electrical engineering profession, while maintaining appropriate legal, safety, environmental, and budgetary standards.

2. The lead project engineer must be a member of the SAIEE.

3. The award is open to individuals residing in KwaZulu Natal.

4. The project must have passed the design stage and be at least 80% complete by the end of 2026 or must have been completed in the 12 months prior to 2026.

5. No more than one award shall be made in any one calendar year.

6. Awards shall be made to individuals only, and cash prizes and/or trophies will be shared among the nominated significant persons involved the project (if more than one person is responsible for the project).

7. The award will be presented at the SAIEE KZN Centre Dinner & Awards evening on the 10th of December 2026 at Suncoast's Barnyard Theatre.

8. Submissions for the award shall be made by an individual person or a project group.

9. Submissions shall be made via email to the SAIEE KZN Centre Committee (kznc@saiee.org.za) on this prescribed form before 20 November 2026.

10. The judging panel's decision shall be final, and no correspondence shall be entered into.

11. The nature of the award shall be determined by the SAIEE KZN Centre Committee.
