NOMINATION: YOUNG ENGINEERING ACHIEVER AWARD 2026

The South African Institute of Electrical Engineers (SAIEE) KZN Centre invites nominations for an award for the most outstanding **Young Engineering Achiever of the Year in electrical/electronic engineering**. Whether such persons work in large progressive companies or organisations or in smaller dynamic ones is of no consequence the spirit of achievement, creativity, and leadership counts. These rare qualities must be recognised and nurtured wherever they are found. Innovative, entrepreneurial action plus an infectious enthusiasm to succeed are the qualities exhibited by young achievers.

Eligibility: Open to all SAIEE KZN Centre Members for current contributions in the electrical/electronic engineering field up to and including 35 years of age during the stated calendar year of the award.

The award will be presented to the winner at the SAIEE KZN Centre Dinner & Awards evening on the 10th of December 2026 at Suncoast's Barnyard Theatre.

Closing date for nominations is 20 November 2026

- Email completed **nomination form**, a **max 1 page motivation letter** and **brief CV** (of the nominee listing academic qualifications, appointments, experience and achievements) to the SAIEE KZN Centre committee at kznc@saiee.org.za
- The decision of the judging panel shall be final, and no correspondence shall be entered into
- The nature of the award shall be determined by the SAIEE KZN Centre Committee
